What is ESCon?

ESCon (Esports Suriname Convention) is Suriname's biggest gaming and pop culture event, uniting gamers, industry leaders, and innovators for an electrifying experience. More than a convention, ESCon is a movement shaping the future of esports, tech, and entertainment.

From competitive esports and casual gaming to VR, sim racing, and arcade fun, ESCon is where passion meets opportunity. Whether you're a gamer, brand, or investor, this is the ultimate platform to connect, compete, and grow.

Impact Goals for 2025

Zero-Waste Convention

We aim to host one of the most eco-conscious events in the region.

- Minimal use of printed materials (digital tickets, QR signage)
- Use of biodegradable cups, plates, and cutlery
- Reusable decor and modular booths
- Recycling bins throughout the venue with clear waste sorting
- 90% reduction in paper use compared to ESCON 2024

Gender-Inclusive Esports Tournaments

We believe gaming is for everyone — no matter their gender, identity, or background.

- All tournaments open to every gender
- Highlight and invite female and non-binary players
- Gender-balanced presence in casting, hosting, and visuals
- Enforced anti-harassment and fair play policies
- Minimum 30% of esports players in tournaments identify as female

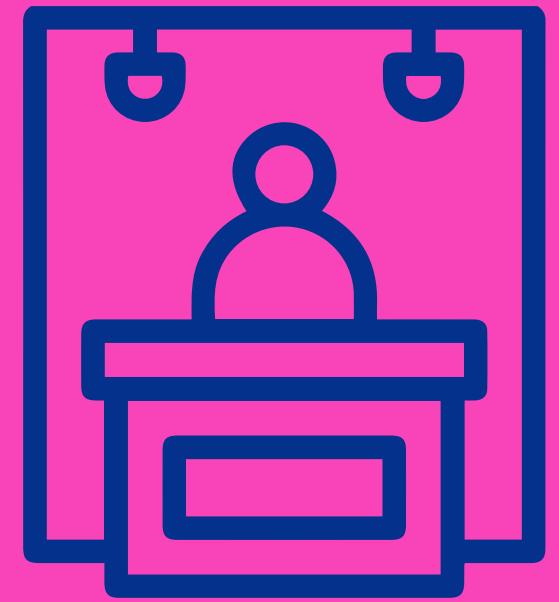

NGO Partnerships for Social Impact

We're not just building an event — we're building a movement.

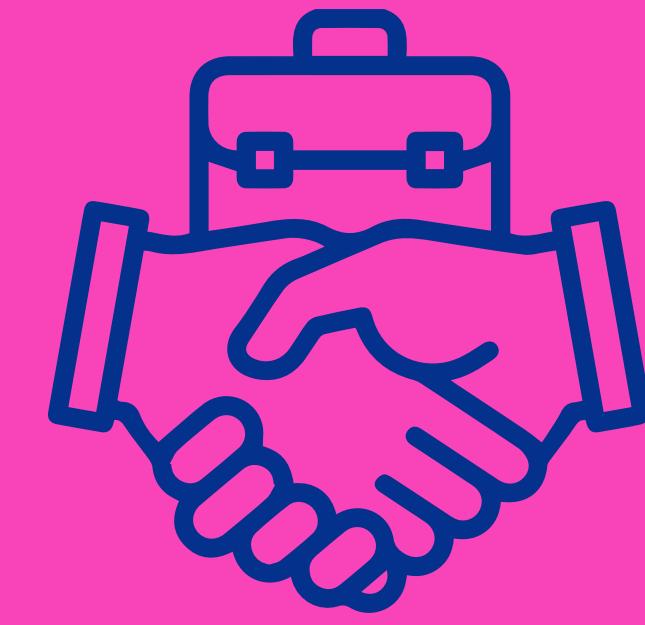

- Active partnerships with NGOs focused on digital inclusion, youth development, education, and wellness
- Provide NGOs with free booth space, platform time, and event visibility
- Collaborate on awareness campaigns pre- and post-event
- Minimum 5 active NGO partners involved
